Happy New Year !

The WADF Managing Committee would like to take this opportunity to wish all our members and friends around the world a Happy and Prosperous New Year for 2014.

We look forward, in confidence, to the coming year and that the successful start we have had will continue and expand to great heights during 2014.

During the Winter and Spring seasons we are able to offer our members three exciting European Championships. The first of these is the WADF European Championships from the Couple Dance Division, in Moscow, 15th – 16th March.

This New Year edition of our Artistic Dance News presents all the disciplines that will be presented during the two days of the Championships in Moscow.

In addition to the Championships we invite all our members to use the opportunity to enrol their National Adjudicators for the International Adjudicator Seminar, which will be held on Friday 14th March, in Hotel Korston, prior to the Championships.

Successful candidates will be able to participate at the European Championships as Voluntary Adjudicators to gain valuable experience.

Welcome to Moscow

WADF European Championships Couple Dance Division 15th -16th March 2014

Details can be found in our website

Dear all!

It is with great pleasure and honor that we announce the second international WADF Championship. The event will take place in Moscow on 15th-16th of March 2014, presented to you by the Russian Dance Union. The organisers have already started the preparation process for these important days and guarantee that it will be a truly memorable weekend.

The Russian Dance Union headed by its President, Mr. Stanislav Popov, has a worldwide reputation and long standing tradition for successful events, which are among the best in the world, all being presented in a warm atmosphere, beautiful settings and in good taste. The Artistic Dance division of RDU has for sure inherited this tradition and will maintain the high standard.

Mr. Stanislav Popov, Mrs. Irina Shmalko and the girls of the organising team

The WADF is a young dynamic dance organisation, within just one year it has managed to unite more than 20 countries as members, and proven to be a rapidly growing and developing organisation. The WADF offers new opportunities to young dancers all over the world, a chance to express themselves using the beautiful international language of body movement. New disciplines are regularly added to the WADF syllabus, which makes it exciting for teachers and choreographers and open new fields of performance and art, which we believe is the essence and reason of our genre.

Our WADF member in Russia was established by Mrs. Irina Shmalko, who shows inexhaustible enthusiasm and energy in developing this new branch of the Russian Dance Union. Her skills and achievements are already being admired nationwide. In October 2013 the Artistic Dance Ball and awards ceremony was held in Moscow, continuing the high presentation level tradition. WADF President, Mr. Nils-Håkan Carlzon, was the Chairman who praised the impressive level of Russian dancers, their Coaches and the positive future for the WADF member in Russia. The accomplishment of the wonderful atmosphere, during the evening, is credited to Mrs. Irina Shmalko and her team.

In March 2014 the WADF European Championship will be held in “Atmosfera”, which has every necessary facility for international Championships of this standard. More detailed information, and the list of disciplines, can be found on the WADF website www.worldart-dance.com and www.rdu-wadf.ru

The Championships will be adjudicated by a distinguished panel of Adjudicators representing Belgium, Czech Republic, Kazakhstan, Poland, Sweden, Turkey, Ukraine, and Russia. The organising team has been working hard to create the positive atmosphere, prepare a logical and convenient schedule, and ensure that the floor, lights and music will be of the best quality. We also guarantee that our compere Mikhail Schepkin will impress you and create unforgettable moments of positive energy and laughter.

We would like to invite you all to take part in these Championships to witness the remarkable development of the WADF and the unique possibilities it offers to boys and girls all around the world, who want to dance, be happy and compete at beautiful professionally organised events!!!

We look forward to welcoming you to Moscow in March!

Organising team Moscow!
