No 13 July 2014

Dear Members and Friends of Artistic Dance!

The WADF World Stage Dance Division Championships were held on the 7th and 8th June in Novi Sad, Serbia at the Hotel Park, which provided all the necessary facilities.

With around 500 enrolments, it was the ideal start for the Stage Dance Division, for their 1st World Championships to be held in a friendly and familiar atmosphere. During the weeks leading up to the Championships "Mother Nature" provided many difficult circumstances preventing up to 300 Serbian dancers from making the trip to Novi Sad due to the dramatic floods further South.

This did not make things easy for our experienced organizer, Gordana Orescanin, who was ably assisted by DO-Serbia (Dance Organisation Serbia) and their President, Mrs. Natasa Jelaca Vojvodic. The organizing team wisely decided to open the Championships for the general public to come in for free, in return it was possible to purchase an aid package to support the Serbian Red Cross in providing blankets, medicine, food and other necessary items for those who had lost almost everything by the floods. Several hundred aid packages were sold during the two days of the Championships.

Our focus now moves on to the next WADF World Championships to be held in Liberec, Czech Republic, from 29th October – 2nd November. Dancers from at least twenty (20) countries are expected with many exciting enrolments. It promises to be one of the largest dance events ever with dancers participating in over 1000 disciplines, on two dance floors, in all WADF Dance Divisions.

See you all in Liberec.
