## Dear Members and Friends of Artistic Dance!

The closing date for enrollments to Liberec is now behind us. Somewhere around 3000 enrolments were estimated but the final figure of 4654 is overwhelming, which includes among them 759 Solo Dancers and 583 Duo Dancers.

This all time high has been achieved by 28 of our Members making the enrolments. It is pleasing to see the interest from our new Members, who will be watching how the older Members have choreographed the disciplines, which the new Members may have never seen. Many are taking part themselves for the first time to learn for the future.

It is also encouraging to see many Teachers and Coaches enrolling for the International Adjudicator Seminar and that many of them will be voluntarily joining the panel of experienced adjudicators. In total there will be around 35 judges covering the 5 days of competitions, three of which the competitions will be held in two separate Ballrooms.

The extensive job of preparing the timetable for the 5 days is now in progress, the exact timetable is expected during the following days.

The WADF Managing Committee wishes to join me in wishing all dancers, teachers and relatives a safe journey to Liberec, especially those with long journeys from Belarus and Russia, where we look forward to welcoming them in Hotel Babylon. We are sure that the competitions will be remembered for many years to come but most important of all life long friendships will be established within our WADF family.

See you all in Liberec.
