
Dear Members and Friends of Artistic Dance!

The new competition season has started with two fabulous events. Our first in 2015 was the European Artistic Dance Championships in Moscow, 14-15 March. What a fantastic show it was. To see the marvelous developments achieved since last year's event is remarkable. The quality of the dancing, the number of solo, and duo dancers, small & large teams have increased to beyond 2.500 entries over the two days and the spectacular set up for the event in the beautiful Plaza de Paris inside the luxury Korston Hotel was absolutely breathtaking.

It was two full days, from 8.00 in the morning to 12:00 at night, filled with exciting dancing, beautiful clothes, charming children, youth and adults. Each second competition the organiser's music was used with the solo, duo and one dance Artistic competitions and each second competition we witnessed a mixture of fantastic Dance Shows in all the WADF styles of, Ballroom, Latin-American, Caribbean, Traditional, Ethno and many more and where the teams performed one by one using their own music. The 15 Adjudicators did a great job to judge the teams with the WADF unique 2-dimensional system where Artistic Merit is equally important as the Technical Merit.

The WADF Managing Committee would like to thank the Organiser, Irina Shmalko, her team and the RDU, with its President Stanislav Popov, for an absolutely flawless event where everything was planned in detail. Thank you Irina we are all looking forward to coming back in 2016.

The following week we had our first large event in Almaty, Kazakhstan where the Organiser, Alfiya Kalmaganbetova, successfully combined two sections into one large event. One with WADF disciplines the other with Cheerleading and Majorettes. The large hall was full with competitors and spectators and when the event was over our WADF Adjudicators were asked many questions from interested coaches and trainers about our WADF disciplines. There is no doubt that in the future Kazakhstan will be a major country for the development of our WADF in the Euro Asia region.

BREAKING NEWS

Change of Venue

The WADF Artistic Dance European Championship scheduled for 13th-14th June has been moved from Mikolajki. to Plock, near Warsaw.

The reason for this move is that the three (3) hour drive from Warsaw Airport to Mikolajki would have caused extra problems for many competitors and an unnecessary time consuming exercise.

The hotels in Plock are much cheaper than in Mikolajki and the reservations can be made much later, which was another reason for the move close to Warsaw Airport.

It was a pleasure to have the RDU Secretary, Marina Aleshina by my side again for the very professional translation into the Russian language. The Seminar was held in a relaxed atmosphere with plenty of positive reactions from the candidates, who seemed to enjoy the presentation and the examination that followed.
